

Corporate Governance Disclosures for Goldman Sachs Asia Bank Limited, a restricted licence bank

Scope

These disclosures are in respect of Goldman Sachs Asia Bank Limited (the “Company”).

Material information on the Company’s objectives, organizational and governance structures and policies

The Company is a restricted licence bank under the Banking Ordinance in Hong Kong. It is also a registered institution under the Hong Kong Securities and Futures Ordinance.

The Company has been established to provide the clients of The Goldman Sachs Group, Inc. and/or its consolidated subsidiaries in the Asia excluding Japan region with the opportunity to transact business with a bank counterparty located in Asia. Its principal activities are to engage in deposit-taking and over-the-counter derivatives.

The board of directors of the Company (the “Board”) is the governing body with overall responsibility for the governance and management of the business of the Company. The Board oversees the Company’s strategic objectives, risk strategy and governance arrangements. The Board has established and maintains board-level committees and management-level committees to assist them discharging these obligations (see below).

The Company has adopted and implemented a series of policies approved by the Board, including among other things:

(i) the Corporate Governance Framework which covers, including but not limited to, the appointment of chairperson, chief executive, directors and their responsibilities, meetings, materials and minutes of the Board and committees, expectations for directors, evaluation of the Board, the role of senior management, the Board and its committee structure, the role of compliance and internal audit and the relationship between the Company and its affiliates; and

(ii) the Code of Conduct which covers, including but not limited to, firm policies and procedures, reporting issues, non-retaliation, violation, senior management responsibility, conflicts of interest, protecting confidential information, complaints handling, and assessment, training and competence.

Committees

Whilst certain matters are reserved for consideration only by the Board, the Board has delegated certain functions and responsibilities to the following board-level committees and management-level committees established and authorised by them.

Board-level committees:

- Audit Committee
- Culture Committee
- Nomination Committee
- Remuneration Committee
- Risk Committee

Management-level committees:

- Management Committee
- Risk Committee
- Asset and Liability Sub-Committee
- Credit Sub-Committee

The roles, functions and composition of the committees and the number of meetings held by each board-level committee are set out in the section “Corporate Governance” of the Unaudited Disclosure Statement (for the year ended 31 December 2019).

Risk appetite

The Company’s risk appetite, including the process for defining it, the nature of the risks it covers and which the Company is therefore prepared to assume, the scenario, metrics (qualitative and quantitative) and time horizons the Company uses to articulate its risk appetite and the measures it uses to ensure risks are controlled within the appetite, as well as the Board’s involvement in the process, is set out in the section “Overview of risk management” in the Unaudited Disclosure Statement (for the year ended 31 December 2019).
